DRS LeROY and PELTIER' Com. ound Mixture for the core of Genorthea Gle-t strictures and other diseases of the irinary passages frequently performing perfect cure in the short space of eight or ten days with ease secrecy and safety. This celebrated mixture possesses a few of the advanta ges not enjoyed by any other medicine for the care of all sexual diseases; and which must with an enlightened public render it assuredly highly pop-ular and a desideratum long sought for in the med ical world. It requires no confinement no change of diet. In its improved form it is nearly tasteless and causes no unpleasant sensation in the patient It has acquired the utmost fame in almost every part of Europe. It has been examined approved of and sanctioned by the faculty of medicine and recommended by the most emi ent of the profes. s on for the cure of certain diseases analogou complaint of the organs of generation after every

In offering this preparation to the human family Drs Lavy and Peltier fearlessly buzard the assertion that it is not only not surpassed but unequal. led either for its curative properties or for mildnes safety and certainty is the operation by any other preparation confounded for similar purposes a w

This mixture is a combine medicines mingling the excellent analities of each into one sanative whole so as to produce the most efficient compound which has never yet been known to fall. It is impossible to produce certificates of the power of a medicine of this peculier nature or offerwise a host of facts might be advanced to show the broad and deep foundation upon thich the character of this mixture rests for support. Long standing cases gonorrhes, gleet strictures affections of the kidneys &c, have yielded to the command of this antidate and instances of gleet of the most inveterate description this fled before its host astanishing samative influence.

We do not offer this mixture as a Panaca or cure every thing, but in the above named cases we are authorized by Drs Leroy and Peltier of Paris to guarantee a cure under a forfeit o. \$500. We will remark that this compound has been before the public of New Orleans for thirteen years and it has
